# Scotland's Climate Change Act and Climate Change Plan

# Scotland's 2050 Energy Strategy

2050 Vision:

***A modern, integrated, clean energy system, delivering reliable energy supplies at an affordable price in a market that treats all consumers fairly.***

Three Themes:

**A  
WHOLE-SYSTEM  
VIEW**

**A STABLE,  
MANAGED  
ENERGY  
TRANSITION**

**A SMARTER  
MODEL OF  
LOCAL ENERGY  
PROVISION**
